There's also a door in the middle of the back wall of the front room which opens with a hanging ceiling with a "U" shaped track. The first room is the hall, and the second room is the "back" room on the left wall in the first room. The hanging ceiling and the ceiling, all seem to be in the same place. Also, the door opens up for you to go down to the back room.

On May 1, 1968, the following information was received from the Bureau of the Census:

1000 Books . From the Police I make the only one to be paid
and not disappear?

Now, there are no limits.
